Notable Achievements:

In 2020, Nexient acquired a delivery center in Michigan for \$11 million. We managed the financial aspects of this significant purchase.

Arightco/Nexient Partnership

Nexient, incorporated in 2010, partnered with Arightco from the beginning to develop a strong business model and manage financial operations. By 2011, Arightco's President, Tanmoy Chowdhury, assumed CFO responsibilities, overseeing accounting, financial management, and corporate legal functions.

1. Financial Management

- Managed end-to-end accounting and financial reporting.
- Provided CFO-level leadership for financial and legal operations.

2. Scalable Growth Support

- Established scalable processes and policies to support rapid growth.
- Delivered financial due diligence and integration for key acquisitions, including Claritics and ZunaInfoTech.

3. Strategic Leadership

- Supported Nexient through complex challenges and key decision-making with expert financial oversight.

•**Process and Policy Development:** Established scalable processes and policies to support Nexient's evolving needs.

•**Acquisition Support:** Provided financial due diligence, strategic guidance, and integration services for key acquisitions, including Claritics and ZunaInfoTech. These acquisitions bolstered Nexient's service offerings and market presence.

•**Navigating Challenges:** Assisted Nexient in overcoming financial and operational hurdles as it expanded, ensuring seamless growth.

Scalability and Growth:

Our team has scaled processes and policies to support Nexient's growth, navigating challenges and facilitating acquisitions like Claritics and ZunaInfoTech. Our financial due diligence and integration services proved crucial in these deals.
